The balance of your payment is due at the end of your stay. We prefer personal check, travelers check or cash, but accept VISA, MC, or Discover. Reservations for a group of 10 or more guests require a 50% non-refundable deposit.

CANCELLATION POLICY: All cancelled deposits will be refunded 50% prior to May 1st. After May 1st, deposits are non-refundable. Nonrefundable deposits may be applied to a subsequent year's vacation only with applicable rates and space availability; otherwise your deposit is sacrificed without carry over credit. Check-in/check-out Whether you fly or drive in, you are welcome! To allow us to be ready for you, please arrive after 4:00 p.m. on Sunday. Dinner will be served at 6:30, followed by an informal orientation, "get acquainted session". Check-out IS at 10:00 am on departure day.

Transportation The Ranch is 2 hours from the Great Falls International Airport. We provide free transportation as per the following schedule *only*:

Arrival: We typically pick up guests between 12:00 to 1:30 pm, and will depart Great Falls no later than 2:00 pm on Sundays.

Call beforehand for meeting time and place. Please make Sunday flight arrivals *before* 2:00 pm

Departure: The JJJ van will leave the Ranch around 9:00 am on departure day, arriving in Great Falls around 11:00 am.

Please make departure flight *after* 11:00 a.m. on departure day.

If your itinerary must fall outside this schedule, you can arrange to stay in one of Great Falls' many motels the night prior to, or after your stay. Our clients receive a special rate at the Best Western Heritage Inn. Call 1-800-548-0361 & mention our name as part of the Prestige Club. *Because airlines often overbook flights causing some guests arrival delays, it may be wise to arrive in Great Falls on Saturday.

Any airport transfers outside of the outlined schedule will be charged an additional \$200 for a special driver, and arrangements need to be made well in advance of your vacation. If your flight is delayed and you miss the ranch transportation pick-up times, you must rent a car as the ranch van and other guests cannot wait.

Montana is a rural state with a limited number of flights. Delta, Northwest, and United are the major airlines into Great Falls. In the West, Big Sky and Horizon Airlines also service Great Falls. For reasonably priced flights and other alternatives, you may consider flying into the following cities and renting a car: Billings, Bozeman, Missoula, Helena, Spokane or Salt Lake City. Amtrak has a depot in Shelby, MT but special transportation from Shelby must be arranged.
